PROFESSIONAL SUMMARY

Computer Science Engineering student at LNJPIIT, Chapra with a CGPA of 7.75. Skilled in Python, Java, C++, Web Development, and Database Management. Passionate about Software Development, Artificial Intelligence, and problem solving. Actively building projects and improving coding skills through LeetCode and hands-on development.

EDUCATION

B.Tech in Computer Science & Engineering, LNJPIIT Chapra, Bihar

Expected May 2027 | CGPA: 7.75

Diploma in Computer Science & Engineering, G.P.Saharsa,Bihar

2023 | First Division

Matriculation, B.L. Indo-Anglian Public School, Aurangabad Bihar

2020 | First Division

TECHNICAL SKILLS

Programming: C++, Java, Python

Web Development: HTML, CSS, JavaScript, React

Database: MySQL

Tools: Git, GitHub, VS Code, PyCharm, Eclipse

Core Subjects: DBMS, Software Engineering, Artificial Intelligence

PROJECTS

Personal Portfolio Website

- Developed a responsive portfolio website to showcase projects, resume, GitHub profile, and technical skills.
- Implemented modern UI design and mobile-friendly layout.

AI Based Medical Help Center

- Developed a web platform to improve communication between doctors and patients.
- Implemented symptom-based assistance and user-friendly healthcare interaction features.
- Technologies Used: Python, HTML, CSS, JavaScript, MySQL.

EXPERIENCE

Artificial Intelligence Intern | Edulogy Institute

Mar 2026-Apr 2026

- Gained hands-on experience in Artificial Intelligence, Machine Learning fundamentals, data analysis, and AI-based project development using Python.

Python Developer (Encodingo)

May 2023 – Sep 2023

- Completed practical training covering Python fundamentals, OOP, file handling, and mini-projects like automation scripts and a Flask-based web app.

Back End Developer, GeekStacks

Nov 2022 - Jan2023

- Trained in REST APIs, database integration, and server-side scripting using Node.js and Python. Built real-world backend projects with user authentication.

ACTIVITIES

- Passionate about Artificial Intelligence, Web Development, and Emerging Technologies.
- Consistently engaged in self-learning through projects, coding practice, and online technical programs.
- Built and showcased multiple academic and personal projects through GitHub and portfolio platforms.
- Active learner committed to improving software development and problem-solving skills.
